Blairsville Pickleball Club meeting at Meeks Park

Some of the members of the Blairsville Pickleball Club, from Union, Fannin, Towns counties in GA and from Clay, Cherokee counties in NC

A good portion of the 113 members of the Blairsville Pickleball Club met Tuesday, Feb. 14 on the courts of Meeks Park. Nolan Lang, President, presented an update about what court facilities are available to the BPC for play and tournaments. He reported that Larry Conley, Director of Union Co. Recreation Dept., has had lines painted for 2 more courts, thus making a total of six courts for Pickleball. Mr. Conley has also set a tentative date of February 28 for use of the old Middle School Gym. Members will mark off the spaces for 3 courts with non-residue tape when the gym is available. For now, the

BPC supplies and sets up their own nets.
Mr. Lang announced that all members were invited to play in Hayesville, NC; Hiwassee, White County, and Rabun County, GA. He reported that he and several other members have enjoyed visiting Rabun County's new Pickleball Complex which has nine dedicated courts. Members were encouraged to enter upcoming tournaments in White County, Rabun County, Athens, and Atlanta. The First United Methodist Church of Blairsville will host a tournament on March 9, with Novice play-

ers competing on March 16 in the Methodist Activity Center. The seniors' continued learning project, OASIS, has graduated dozens of players through Pickleball classes led by Charles Smith and Nolan Lang, both of Blairsville, GA.
The meeting was ended with appreciation being given to sole Commissioner Lamar Paris and Rec. Dept. Director Larry Conley for their interest in providing opportunities for the players of the fastest growing sport in the nation, Pickleball. For information about the BPC and the sport of Pickleball, contact BPC Ambassadors Kathi and Bud Patrick at kathipatrick3@gmail.com.
