The year 2013 saw success across the board for Union County and Woody Gap High Schools.

Once again, sophomore Emma Garrison laid waste to the field in Carrollton for her second straight Class AA Cross Country State Championship.

Three Union County teams reached the Sweet 16, baseball, boys soccer, and girls soccer.

Every single sport sent a representative from Union County last year. From winter sports such as basketball, wrestling, and swimming to baseball, soccer, tennis, and golf in the spring.

When school resumed in the fall, Union County's football, softball, and cross country teams all reached the State Tournament.

The one sport that failed to reach the State Tournament was boys basketball, however, the Panthers still won 18 games and just missed State after a two overtime loss to Washington Wilkes. Although, the hardwood Panthers weren't without their share of accolades.

After becoming the quickest player to reach 1,000 points at Union County, senior guard Rhet McCombs, along with Zach Odom made it onto the All Region Teams.

Individually speaking, four Union County athletes picked up Region 8-AA Player of the Year honors, beginning in March when Lady Panther basketball star Lauren Zollinger was selected as the most outstanding player by six of the seven coaches in Region 8-AA.

Odom, also the Panther shortstop, was selected as the 8-AA Player of the Year in May. The Young Harris College signee led Union baseball to its first Sweet 16 in 18 years.

Then last month, defensive lineman Luther Jones was selected as the 8-AA Defensive Player of the Year and Robert Prunier was named the 8-AA Special Teams Player of the Year after Panther football reached the State Tournament for the first time in 12 years.

The year opened with the Union County Lady Panthers finishing atop the Region standings, solidifying their fifth State playoff appearance in six years.

Led by Zollinger and 8-AA First teamer Jeanelle Arnold, Union County finished third in the Region Tournament after falling to eventual 8-AA Champion Rabun County in overtime of the semi-final round.

The Lady Panthers then routed Jefferson to lock up the No. 3 seed entering the Class AA State Tournament. The following week, Union County fell at Bremen in the opening round.

In other basketball news, Union County Middle School's Seventh Grade boys claimed first place in the Northeast Georgia League Tournament, while the 12&U boys reached the Final Four of the State Tournament.

Panther baseball finished second in Region 8-AA after a pair of extra-inning marathons with Jefferson eventually turned in favor of the Dragons.

Union County hosted a young but gritty Bowdon squad in the first round and dominated the first game, but let the second contest slip away. After rain delayed the third and deciding match four days, Calvin Duckworth picked up the win thanks to the bats of seniors Jared Croskey, Cooper Patton, and T Bentley. Lane Everett came in relief of Duckworth and sealed the Panthers' 8-1 win.

In the Sweet 16, Union traveled to Rome to face Pepperell High School and squandered a late lead in a 2-1 Game One loss. The second meeting belonged to the Dragons 8-0 as the Panthers season came to a close.

As the graduation exercises commenced in May, the junior class was riding high after snatching the U-lympics title in the year-long academic and athletic competition. The results are based on grades, attendance, behavior, school spirit, and an athletic competition at the end of the school year.

After suffering a losses at Fannin County and Washington-Wilkes, the Panthers went on to rally past Oglethorpe County, then rout Riverside Military Academy, Greene County, and Social Circle, clinching their first postseason berth since 2001.

In the meantime, the Lady Panther softball team swept Washington-Wilkes in a best-of-three series to reach State for the fifth straight year. Union eventually fell at Lovett after taking the first game but dropping games two and three. Chambers was named First Team All-Region, while Courtney Busbee, Hallye King, and Karley Nix made the second team. The Middle School softball team added its third straight League title to keep the pipeline flowing to U.C.H.S.

In Gainesville, Garrison began her quest for a repeat by dominating the field at the 8-AA Region Meet at Riverside Military Academy. Both Cross Country teams qualified for State for the second consecutive year. The Middle School boys also took home the first place in the region earlier in the month.

Garrison would go on to

take the Class AA Individual State Championship at Carrollton in November.

The Lady Panther sophomore would cross the finish line in 19:10, Lovett's Serena Tripodi followed 37 seconds later. Garrison completed the course 38 seconds quicker than her 2012 State Championship pace.

The Panther men were led by junior Cristian Garcia who finished in 72nd place, coming in at 19:35, leading Union to a respectable 14th place finish out of 28 teams.

Six days later, Union County football traveled to Lovett for the State Playoffs where they fell to the eventual State Champion Lions 56-21.

Senior lineman Luther Jones was selected to the All-State Team for the second time after competing in the North-South All-Star Game in December. Jones was also named the Region 8-AA Defensive Player of the Year for the second consecutive season.

The Lady Panthers extended their win streak over Towns to four games with a 53-25 win during the Christmas Tournament.
